Welcome Message

The IAP Shivamogga Branch, together with Subbaiah Institute of Medical Sciences and Shivamogga Institute of Medical Sciences, warmly invites pediatricians, postgraduates, family physicians, neonatologists, and allied health professionals to VacclDcon 2026 - a three-day state-level conference dedicated to vaccinology and pediatric infectious diseases.

Bringing together eminent national and state faculty, the conference will run two parallel scientific tracks across the main conference days - Hall A on Vaccinology Science and Hall B on Pediatric Infectious Diseases - supported by hands-on pre-conference workshops with participation certificates, panel discussions, debates, a postgraduate quiz, paper & poster presentations.

Conference Theme

“Protect, Prevent and Prevail - The Immune Frontier: New Vaccines, Emerging Pathogens & Pediatric Practice”

Who Should Attend

- Consultant & Practising Pediatricians
- Postgraduate Students in Pediatrics
- Neonatologists & Pediatric Intensivists
- Family Physicians & General Practitioners
- Nursing Staff and Infection-Control / HICC Teams
- IAP Members and non-IAP Members from Karnataka and Beyond

Why Attend

- Nationally renowned faculty across vaccinology and pediatric ID
- Hands-on pre-conference workshops with certification
- Case-based panel discussions and structured debates
- Postgraduate quiz and paper/poster presentation opportunities
- CME credit points (as applicable) and networking with peers
